

# INVEST IN A TEAM THAT DELIVERS TOP TALENT

We are a seasoned and highly qualified boutique retained executive search firm specializing in mid to senior-level positions. We don't have biases or preferences for various industries and with a defined focus on the needs of our clients first before anything else! It's essential in our quest to help you succeed by being an extension of your team through immersion into your culture while doing specific searches so that success is imminent the first time!

Client Growth Resources is your one-stop agency for finding the perfect candidate. With our elite recruiting team and advanced search technology, we will tirelessly work to find what you're looking for - before it becomes too late! Stop wasting time with unqualified prospects when our replacement guarantee can help make things easier on both of us and give you peace of mind with your decision.

## PARTNER WITH US

- We will identify "the A-list" and present them exclusively for your consideration!
- We want to be your talent acquisition partner of choice--that's why we offer a One Year NO RISK REPLACEMENT Guarantee Policy with our retained searches.
- It is our job to know your business and what makes it tick. We become an integral part of the team, learning how things work to identify candidates who are a perfect match for you
